Are there any additional costs or fees?

When you register, a \$25 hold is placed on your card and it's released by us after the auction. It is NOT a fee or deposit. It will not be applied toward your purchase. Depending on your card issuer, it will appear as available about 3-7 business days after the auction.

18% buyer's premium in effect. Thus, if your bids total \$100, your total invoice will be \$118
